Staff Car Park

Please note that the staff car park is for staff use only due to limited capacity. If you have a physical disability which requires parking access, please contact the School Office to discuss. Please do not use the car park to walk through to school as it is a hazard with cars parking.

Parking

Please remember to be considerate when parking outside the school, by not parking in the lay-by or the zig-zag lines.

School Grounds

Can we please ask that you discourage your children from standing or walking on the walls when you are dropping off/picking up as we have had a couple of accidents with children falling. Also, there are bulbs planted in the area in front of the school so we would ask that you do not allow your children to play in this area. We appreciate your co-operation with this matter.

Parking Permits

Parking permits for the car park next to the doctors surgery are available at the School office.
