

FRIDAY 28th March, 2025

ATTENDANCE 90.9%

Dear Parents

Beech and Cherry class had lovely weather for their Woodland School this week. Elm will go on Wednesday next week and Lime will go on Thursday. The last swimming for Year 2 for this half-term was yesterday, it will resume again after the Easter holidays on Thursday 24th April. Chandler School have asked us to let you know that children are not allowed walk around the school with their mobile phones or have them in the classroom, there seemed to be a misunderstanding with this and some parents. We hope you have a lovely weekend.

Much love The Milford Team

SAFEGUARDING

Are you concerned about a child?

Please share your concern with one of our safeguarding leads: Miss Cox, Miss Jones, Mrs Ward or Mrs Wells.

If urgent and out of school hours please contact
Surrey C-SPA 0300 470 9100
cspa@surreycc.gov.uk

TIPS FOR MANAGING CHILDREN'S SCREEN TIME

Balance screen time with other activities. While your children may be getting more time on screens during this time, just be sure to balance this time with screen-free activities.

Keep meals media-free to promote meaningful conversations and improve dietary patterns.

Model good behaviours by setting time aside every day to fully engage with your family without screens nearby.

Keep mobile devices and charging stations out of the bedroom to promote healthy sleep patterns.

Avoid using screens as a reward or punishment to control behaviour. This can cause children to place high value on screen time and desire more of it.

Use screens for **creating human connection**, such as a video call with grandparents.

MILFORD baby and toddler Playgroup

Every FRIDAY

2pm - 3pm

Starting January 24th 2025

For ages 0-4 Years Old

Milford School

Connect with other parents and bring your little one for nursery rhymes and playtime.

EASTER SWIMMING COURSE

Introduce your child to water, improve their confidence, technique and stamina. Less formal than weekly lessons, the progress with many of the children is outstanding. This is a 4 day intensive course running at King Edwards School, Witley from Monday April 14th to Thursday 17th. Teachers are in the water with young, inexperienced children and class sizes are small. Minimum age 4 with no maximum. Classes are created according to demand, age and ability then parents are emailed with an exact lesson time anywhere between 9 and 11am. Lessons are for 30 minutes or 45 minutes for the stronger swimmer. The cost for 30 minutes is £48, 45 minutes £72. To sign up please click this link or

YOU ARE INVITED TO MAKE AN EASTER HAT AT HOME AND BRING IT TO SCHOOL ON FRIDAY 4th APRIL FOR THE EASTER PARADE. PRIZES FOR EACH CLASS. PARENTS ARE WELCOME TO ATTEND AT 9AM ON THE PLAYGROUND

Is Roblox safe for my child?

Information to help you decide if Roblox is suitable for your child

Roblox is a gaming platform where players can create and publish their own games. The platform can be a great educational tool to help teach children new skills like coding. However, there are also some risks.

Roblox allows players to build and publish their own games. This means that other users could build games that contain adult or inappropriate themes that your child might see.

Players can use the communication features of Roblox to talk to one other while they are playing. This means that there is a risk of cyberbullying or unwanted contact.

Roblox does have Community Standards that outline what behaviour is and isn't acceptable on the platform. They also have moderators who review and remove inappropriate content. They also have a range of parental controls and safety settings that can help keep your child safer on the platform.

Here are some tips that can help keep them safe on the platform.

Six tips to help keep your child safe on Roblox

- **Sign up with the correct age**
Make sure your child creates an account using the correct age. On Roblox, certain safety settings and parental controls are enabled by default for children under 13. However, you should still review the settings to ensure they've been set up correctly.
- **Build a list of age-appropriate games**
Not all games on Roblox will be appropriate for your child. The platform has a setting that lets parents and carers limit what their child can play by allowing them to build lists of age-appropriate games. You can also switch off in-app spending or set them monthly limits.
- **Explore communication settings**
You can manage who your child can speak to by disabling chat completely or limiting it to friends only. You can also switch off their inbox to stop them receiving direct messages.
- **Explore the platform together**
Ask your child to give you a demonstration of the platform to help you understand how they use it and explore some of the parental controls together. You could even consider setting up your own account and playing the games yourself.
- **Have regular conversations about gaming**
Continue to have regular conversations with them about what they are doing online. Ask your child open questions like 'What games have you been playing on Roblox recently?' or 'What platforms have you been using to play games?'
- **Check out the NSPCC Online Safety Hub**
Visit the NSPCC Online Safety Hub for more advice and tips on gaming, talking to your child and much more. If you need more information on setting up parental controls on Roblox, visit their Parent Guide.
