

Friday Update

15th May 2026

Attendance 95.2%

Dear Milford Families

Next week is Science Week here at Milford School so we have lots of fun events planned. Keep an eye on book bags as raffle tickets are coming home today and on Monday The Friends are sending home a Science Week Invention Competition.

Remember, we're closed on Friday for an inset day and then it's half term.

Much love, the Milford Team

Annual General Meeting

The Friends of Milford School Annual General Meeting (AGM)
Wednesday 1st July, 7.30pm
The Refectory, Milford

At the end of this academic year, Hen and Anna will be stepping down from their roles of Chair and Secretary of the Friends. Please do get in touch with the School if you are interested in taking on a PTA role next year, and helping to maintain this important fundraising route for the school. The PTA organise enrichment activities for the children, community fun and fundraising.

On Wednesday 1st July at 7.30pm, at The Refectory in Milford, we will be holding our AGM. Please join us to discuss our fundraising achievements this year and to help shape the year ahead in terms of leadership, events and spending goals.

Everyone to grow, learn, believe, achieve

Can you help us makeover the Year 2 play area?

The Year 2 play area is getting a makeover but we need your help!

Becky, a Mum from Year 2, is kindly organising the makeover but can't do it alone.

We need 4 more volunteers for each day. You can either do both, or just one.

Tuesday 26th May, 10am-4pm

Upcycling and preparation day at Becky's house (children welcome)

We'll be painting and revamping a few bits of furniture ready to be installed. No experience needed, just bring yourself and we'll have a great time. Tea, coffee and lunch provided.

Friday 29th May, 10am-4pm

Installation and makeover day at the school

This is where it all comes together and the kids get their new play area!

The work will involve restoring the existing wooden kitchen and playhouse, building planters, painting, decorating, moving bark, lifting paving, and general DIY/maintenance tasks. Some jobs will involve heavy lifting.

Please let the School Office now which days (or part days) you can help on.

Parent Online Survey

Thursday next week we'll be emailing you our Parent Survey. We'd love to get your feedback as your views are so important to us as we work together to make Milford School the best it can be.

Please reply by Friday 5th May.

You can get paper copies of the survey from the school office.
