## A BIG THANK YOU

To Kim, our Vice Chair, who is quite the unsung hero for the PTA. She has done so much to support fundraising and think of all the extra details to make our events as memorable and fun for the children as possible. She planned and ran the film night, transformed the library into a winter wonderland and fired snow showers over the playground on the last day of term. Thank you for all that you do.

## DON'T FORGET EASY FUNDRAISING

## WEBSITE HELP NEEDED!

Our website is in need of makeover by someone with technical skills! Hen and Hayley are on hand to support with any graphics required, but if you are someone that works in this area with a few hours to spare, we would really appreciate your help / time /skills! Please contact Natalie if this is something you feel you could do.

## FUTURE PROJECTS

We hope your children have been enjoying the new reading corners! Miss Cox has some new projects planned for spring summer which we can hopefully update you on soon! It is your support with our fundraising that makes this possible.
