Dear Milford Families

It's been a quiet morning here at Milford School as Year 1 and 2 were enjoying the mini Olympics at Rodborough School while Reception were having fun at Woodland School.

Next Wednesday it's Sports Day and you're welcome to come and join us from 9-11am.

Finally, we wanted to thank you for all the wonderful hamper donations yesterday for the Milford School Summer Fair. Make a note in your diaries as the next fundraising event is a Funky Socks Day on 15 June. This time the PTA are asking for donations for the bottle tombola and wrapped sweets for the Summer Fair.

Much love, the Milford Team

Milford Village Fete

We have been practising our song and dance moves ready for the village fete on Saturday 13th June. Please keep practising at home! We are singing 'Feel Better When I'm Dancing' by Meghan Trainor.

On the day, please come and meet Miss Cox and Miss Jones on Jubilee Field at 12.50pm ready to open the fete at 1pm.

Please wear PE tops.

Everyone to grow, learn, believe, achieve

Science Week

We had a fabulous week of science learning in Year 1 and Reception before half term. Miss Jones kicked off the week with an assembly where we found out which car we could get to go the furthest across the hall! We tested the car using 3 different ramps – shallow, medium and tall. We made predictions about which ramp we thought would get the car the furthest. It was great fun to measure the distance they had travelled and to find out which ramp was the best.

In class, we carried out different experiments to answer our scientific questions about what happens to ice when it melts, how to make a car travel the furthest using different length ramps and do flowers need light?

Science in
Cherry Class

We had lots of super entries to our Science Week competition. Thank you to everyone who entered! Congratulations to our winners:

- Rafferty in Reception
- Bronwyn in Year 1
- Sam in Year 2
