Introduction

This supplementary guidance supports the implementation and administration of the Surrey County Council (SCC) model school's complaints procedure issued in Autumn Term 2020. The SCC model is based on the Department for Education (DfE) model issued in September 2020.

<https://www.gov.uk/government/publications/school-complaints-procedures>

However, the SCC model differs from the DfE model as it includes an additional stage – Governor investigation (Stage 2). This offers an additional opportunity for resolution of the complaint prior to the final Panel stage.

This SCC guidance includes suggested timescales, model letters, and advice for Headteachers and governors in the successful management and resolution of complaints and must be read in conjunction with the SCC model complaints procedure for maintained schools.

Records management

Schools should:

- record the progress of complaints and the final outcomes
- determine who is responsible for these records and make sure the data is kept secure

As schools are data controllers in their own right, governing bodies must decide for themselves how long they keep records, unless statutory regulations apply. Under the General Data Protection Regulations (EU) 2016/679 (GDPR), data must not be kept longer than is necessary.

Schools should consider that complainants may have a right to copies of these records under the Freedom of Information Act 2000, the Data Protection Act 2018 and GDPR.

There may be occasions where complaints are made or continue to be escalated after a child has left the school. On changing schools, the pupil's educational record is transferred to the new school and copies may not be retained. Schools should consider holding records of complaints separate to their pupil records (while a complaint is ongoing) so that access to them can be maintained. As information generated by a complaint may not form part of the pupil record, you should consider how best to store this information.

Personal data should only be kept for as long as is necessary for the immediate purpose of processing. The data should be stored securely and, where appropriate, encrypted to maximise security.

Differentiating concerns and complaints

Within the DfE Best Practice guidance 2020 the following statements provide differentiation between a concern and a complaint.

A *concern* is “an expression of worry or doubt over an issue considered to be important for which reassurances are sought”.

A *complaint* is “an expression or statement of dissatisfaction, however made, about actions taken or lack of action”.

Often there are opportunities to resolve concerns informally by providing reassurance. For all parties concerned the opportunity to allay a concern is usually preferable to the situation escalating to a complaint.

Resolving concerns

Concerns should be taken seriously, and schools should make every effort to resolve the issue as quickly as possible. The following points may be helpful in achieving this:

- Ensure that staff understand the complaints procedure, and are trained to recognise concerns and take action in line with school policies. Being aware of when to escalate to senior member of staff.
- Offer to hold an informal meeting with the person/s expressing concern. Make it clear that it is an informal discussion and not part of the formal complaints process. At the meeting, ask what they feel would resolve the issue and seek to identify any underlying issues which may be driving the concern. Use the skills of active listening with empathy, and demonstrate that they have been heard, and understood. At the conclusion of the meeting, agree next steps, and should they wish to pursue it further explain to them that they should follow the school's complaints procedure. If appropriate, provide reassurance that the complaints procedure requires impartiality and you would therefore not be involved.
- If practical, send an e-mail or letter to the complainant once their concern has been dealt with as this can sometimes prevent it escalating to a complaint.
- Keep a record of concerns and actions taken for future reference.
- Use concerns as an opportunity for learning. Develop a culture of welcoming feedback in order to improve practice.
- Show genuine willingness to admit mistakes, offer an apology (if appropriate) and take appropriate remedial action.
- Offer a follow-up discussion/ meeting to review progress.
- If an informal concern is raised with the Chair of Governors regarding the Headteacher, the Chair may wish to consider an informal meeting with the Headteacher to understand if an informal meeting with the person would be beneficial before taking any further action.

There will be occasions when complainants want to raise their concerns formally. In those cases, the school's complaints procedure should be followed.

NOTE: The timescales referred to are school days so exclude weekends, school and Public Holidays and INSET days.

Undertaking a Stage 1 or Stage 2 complaint investigation

Who should undertake the investigation?

Stage 1 - In most cases the investigation at Stage 1 will be undertaken by the Headteacher. The Headteacher may delegate the investigation to another member of the school's senior leadership team, but not the decision to be taken.

If the complaint is about the Headteacher or a member of the governing body (including the Chair or Vice Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 2 (see below).

Stage 2 – The Chair of Governors should decide who is the most appropriate governor to undertake the investigation. If appropriate it may be helpful to arrange for a governor from a different school to undertake the investigation e.g. if there is no one appropriate on the school's own governing body. When identifying a governor to undertake the investigation the following points should be considered:

- Is the governor impartial, with no previous involvement in the issues raised?
- Does the governor have the time to complete the investigation within the timescale?
- Is the governor fully conversant with the complaints procedure (preferably having attended training), and do they have the relevant skillset?

Planning the investigation

The investigator may wish to use Appendix A as a template for planning their investigation. Investigators should remember that their actions will be considered in detail if the complaint is escalated, and therefore a structured plan and structured report format may be helpful.

Meeting with complainant

We recommend that the investigator should meet with the complainant at the outset of the investigation, in order to:

- Gather details about the specific issues involved in the complaint (e.g. dates, names of those involved etc.)
- If there has been a Stage 1 investigation, to establish the element(s) of the complaint that the complainant believes have not been addressed
- Establish desired outcomes
- If possible identify a resolution or way forward.

The investigator may wish to invite the Area Schools Officer to attend the meeting, in order to offer impartial procedural advice to both parties.

Notes should be taken at the meeting, ideally by a designated note-taker rather than any of the participants. The notes should be circulated to all parties after the meeting. If the complainant disputes the content of the notes, and the matter cannot easily be rectified, the school may offer to retain the complainant's version on file alongside the school's version.

At the beginning of the meeting, it may be helpful to state that electronic recordings will not be permitted, unless a complainant's own disability/special needs require it. Prior knowledge and consent of all parties attending must be obtained before recording takes place. Consent (or the fact that it was not given) will be recorded in the notes. Investigators should bear in mind, however, that the complainant may record the meeting anyway.

The investigator should ensure that all parties have received a copy of the school's current complaints procedure.

The investigator should approach the process with an open mind, and as an opportunity to improve practice. A genuine intention to investigate the complaint fully and openly should be demonstrated, with no indication of any predetermined outcomes.

At the end of the meeting, the investigator should thank the complainant for attending, and summarise their concerns, areas for investigation and/or agreed actions. Ideally the complainant should be asked to sign this summary at the conclusion of the meeting.

Conducting discussions with children/young people

Consideration should be given to ensuring that routine record keeping procedures are robust enough to support a potential complaints investigation at a later date. This particularly applies to complaints about bullying and behaviour management issues.

It may not always be possible to conduct an interview/discussion with a pupil in case it prejudices another procedure e.g. referral to the Local Authority Designated Officer (LADO) or police investigation.

In most cases pupil witness statements will be obtained by staff and shared with the investigating governor as appropriate. If the investigating governor needs to meet with the child of the complainant, care should be taken to create a supportive atmosphere in which the child is able to talk freely about their concerns and their feelings and wishes. The discussion should take place in the presence of an appropriate member of staff or the parent. If the parent is not present their prior consent should be obtained.

Conducting interviews with staff/other witnesses

The investigator should explain the complaint and their role clearly to the interviewee and confirm that they understand the complaints procedure and their role in it.

Staff may have a colleague present to support them at their interview. The colleague must not be anyone likely to be interviewed themselves, including their line manager.

The investigator should:

- Use open, not leading questions.
- Not express opinions in words or attitude.
- Ask single not multiple questions, i.e. one question at a time.
- Try to separate 'hearsay' evidence from fact by asking interviewees how they know a particular fact.
- Persist with questions if necessary, and not be afraid to ask the same question twice. Make notes of each answer given.
- Deal with conflicting evidence by seeking corroborative evidence. Make a formal record of the interview from the written notes as soon as possible while the memory is fresh. Show the interviewee the formal record, ask if s/he has anything to add, and to sign the record as accurate.

It should be noted that any written information could form part of the evidence considered at further stages of the complaint, and may be disclosable as part of a Subject Access Request (SAR).

Outcomes

The investigator should provide the complainant with their findings in writing within **15 school days** of receipt of the complaint. Within this formal written response there should be a clear statement of the evidence considered, the reasons why the investigator has reached their conclusions, and next steps to be taken/recommendations (see Appendix H, Letter A).

Conclusions should be based on the balance of probabilities. In some cases it may not be possible to reach a definitive conclusion about an issue, and this should be clearly stated in the letter.

Complaints that result in staff capability or disciplinary

If it is determined that staff disciplinary or capability proceedings are necessary in order to resolve the issue, the details of this action will remain confidential to the Headteacher and/or the individual's line manager. The complainant is entitled to be informed that the matter is being dealt with appropriately, but they are not entitled to participate in the proceedings and will not receive any detail about them or their outcome.

Administration of a Stage 3 Governors Panel Hearing

This stage of the process is managed by the Clerk to the governing body, or a Clerk appointed specifically for this task. The Clerk is responsible for convening the Governors Panel Hearing, arranging the date and venue, communicating with all parties and collating and distributing paperwork. The Clerk can obtain advice from the Area Schools Officer (ASO), who may attend the Panel Hearing, at the request of the Panel, to provide procedural advice (for those schools which buyback their service).

A flowchart to assist with the administration of the process, and model letters, are given in Appendices B and G.

Convening the panel

The Panel should be formed of the first three, impartial governors available. The governors should have had no prior involvement or knowledge of the complaint. Consideration should be given to at least one of the Panel being an independent governor. Consideration should also be given to equality and diversity issues.

If there are fewer than three governors from the school available, the Clerk will source additional, independent governors to make up the Panel. Alternatively, an entirely independent Panel may be convened.

Venue and date for the Hearing

In most cases the school is considered by all parties to be an appropriate venue for the Hearing, but the Clerk should ensure that due consideration is given to any wishes expressed regarding this. The Clerk should ensure that three rooms are available – one for the meeting itself, and two “breakout” rooms to be used if an adjournment is required. Experience during the Covid-19 pandemic has shown that hearings can be held successfully via remote technology (e.g. Microsoft Teams or Zoom).

It is useful for up to three dates to be identified by the Clerk as possibilities to be offered to the complainant. Participants’ availability could be ascertained via an online meeting scheduler such as Doodle.

Paperwork for consideration by the Panel

It is vital that a comprehensive pack of written evidence is submitted by the Headteacher/Stage 2 investigator, which includes the evidence they relied upon to reach their conclusions. See Appendix C for a checklist of paperwork for possible inclusion, but please be aware that this is not exhaustive, and everything which supports their position should be included. (The names of other pupils and parents should be redacted). Even if the prior investigations have been thorough, if the Panel considers that the evidence available to them is incomplete, they may request a reinvestigation. The Panel will reach their conclusions based on the evidence presented to them.

The Clerk should make clear to both parties that they must provide their own paperwork to support their case, and not assume that the other party will do so.

Conduct of the Panel

See Appendix D for a model agenda, and Appendix E for guidance for the Chair of the Panel.

The SCC model complaints procedure for maintained schools contains information about the roles of the Chair, Panel members and Clerk.

A question which commonly arises is about the attendance of the Headteacher, particularly where the complaint includes concerns about their actions. Experience has shown that it can be very important for the Headteacher to attend, to ensure that questions about day to day practice can be adequately responded to, as governors may not have such detailed knowledge. In some cases it may be appropriate to limit questioning of the Headteacher to panel members only. This approach should only be adopted by agreement with the Panel Chair. In exceptional circumstances, the Panel Chair may decide to hold the meeting with one party in the room at a time. The Model Agenda in Appendix D will need to be amended to reflect any agreed differences of approach. It is the role of the Panel Chair to ensure that the meeting is conducted professionally and each party is treated with respect.

APPENDICES

Appendix A: Investigation plan

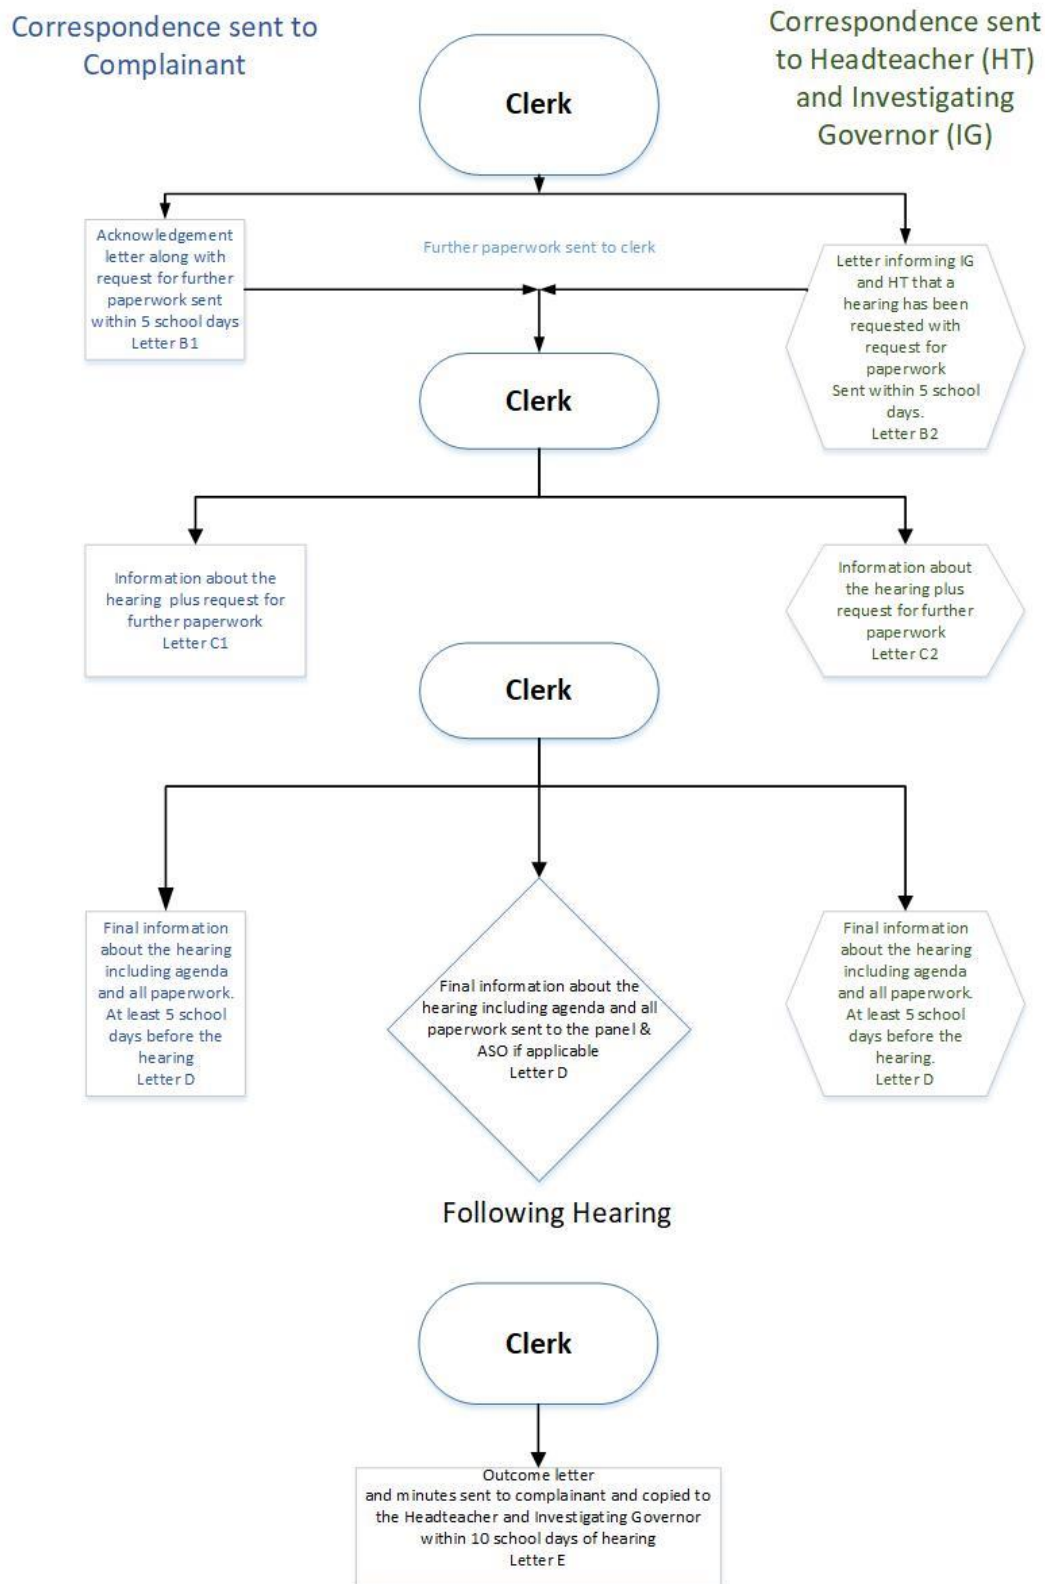

Investigation Plan [Date]

This investigation plan is to be used by the investigator to assist with preparation. The plan may need to be amended as the investigation progresses.

Investigator	You as the investigator should be confident that you are impartial and have the skills, knowledge and training to carry out an independent and effective investigation.
Provisional time-frame	The relevant time-frames are outlined on page 5. If you do not think you will be able to complete the investigation in the given time-frame, set a provisional time-frame and ensure parties remain updated of any changes.
Policies and procedures to review and follow	Detail all relevant policies and procedures.
Issues that need to be explored/clarified	This may be done from analysing correspondence or from initial discussions with individuals concerned. Identify at this stage any aspects of the complaint that may be out-of-scope
Sources of evidence to be collected	Identify what evidence you will require and how this might be obtained, eg <ul style="list-style-type: none"> - Written evidence (letters, e-mails, reports etc) - Logs of phone calls - Documents from third parties or external agencies - Information from a pupil's school file (e.g. behaviour or attendance information) - Information from social media, photographic evidence, CCTV etc
Confidentiality	Is there any information which will need to be kept confidential - e.g safeguarding files, peer-on-peer abuse, allegations against staff members. What is the plan for managing this?
Persons to be interviewed (including planned order of interviews)	Who do you need to meet with? It is recommended that you meet with the complainant at the outset. Consider what order would be best to interview witnesses - do you need to see certain witnesses first to inform your questioning of other witnesses?

Investigation meetings further arrangements (When/where/notes to be taken by)	Consider if anyone will need to be accompanied - eg. students. Do you need to make any reasonable adjustments? Before the interview think about what information you want to obtain and what questions to ask. Do you need to have reviewed the evidence collected prior to holding investigation meetings? You should avoid leading questions and ensure that the person being interviewed is able to understand what you are asking. Do you need to follow up with any other witnesses as a result of your witness meetings?
Collection of evidence to have been completed by (date)	
Outcome letter to be completed and sent by (date)	See Appendix H, Letter A

Appendix B: Flowchart for Clerks administering the Complaint Panel Hearing

Appendix C: Stage 3 paperwork checklists

Checklist of paperwork to be sent out by the Clerk for the Governors Panel Hearing

- List of contents
- Agenda with date, time and venue (if not being held at the school any other relevant information e.g. parking). Log-in details if the hearing is being held virtually.
- Template letter D
- Complete pack of information from the complainant
- Complete pack of information from the school (see school checklist for information which may be included)
- Copy of the complaints procedure that was in place at the time the complaint was first raised

The Clerk to the Governors Panel Hearing will need to give consideration to the organisation of the paperwork. This will depend on the amount and type of documents included. In some cases it would be appropriate to organise in ring binders, for example with different sections, while in other cases it may be sufficient to number the pages. In all cases it should be clear which set of papers has come from the school and which has come from the complainant. The main focus should be to make it easy for all parties to identify a specific document during the meeting.

Checklist of paperwork that the school may wish to include for a Stage 3 Governors Panel Hearing

- Timeline/chronology
- Completed complaint forms
- Stage 1 and Stage 2 outcome letters
- Stage 1 and Stage 2 investigation witness statements from children and staff as appropriate (Signed and dated, redacted if necessary)
- Correspondence between complainant and school (If substantial provide a list and number the documents)
- Behaviour log (Remember to redact the names of other pupils)
- Log of telephone calls between complainant and school with brief note on the matter discussed and any agreed outcomes
- Relevant reports/advice from professionals
- Relevant policies e.g. behaviour, anti-bullying etc.

NB – this list is not exhaustive.

Appendix D: Model agenda for Stage 3 Governors Panel Hearing

Agenda for Stage 3 Governors Panel Hearing regarding <Insert name of school, date, time and venue>

The Chair of the Governors Panel Hearing will invite everybody into the room at the same time. He/she will facilitate introductions and clarify roles.

The Chair will confirm that electronic recording of the meeting is not permitted, unless the complainant's disability/additional needs require it

The Chair will explain to all present the purpose of the meeting:

- The Panel will consider those aspects of the complaint which the complainant believes have not been fully addressed at the previous stages in the complaints procedure and where the complainant believes that the school has not followed its complaints policy.
- Consider the effectiveness of the investigation process at Stage 1 and 2
- Consider ways to resolve the complaint and, if possible, achieve reconciliation between the school and the complainant

The Chair will then outline the procedure for the meeting. He/she should listen to any concerns about the procedure but has the final decision about arrangements.

The complainant will have up to 20 minutes uninterrupted time to outline their complaint.

The Headteacher and Stage 2 investigating governor may ask questions of the complainant for clarification.

The Panel may ask questions of the complainant for clarification.

The Headteacher and Stage 2 investigating governor will have up to 20 minutes uninterrupted time to state the school's case and respond to the points made by the complainant.

The complainant may ask questions of the Headteacher and Stage 2 investigating governor for clarification.

The Panel may ask questions of the Headteacher and Stage 2 investigating governor for clarification.

The school representative (either the Headteacher or the investigating Governor) will have up to 5 minutes to summarise the school's position.

The complainant will have up to 5 minutes to summarise their position.

The Chair will thank the complainant and Headteacher and Stage 2 investigating governor for their contributions, and confirm that the Panel will deliberate and send their decision to the complainant in writing within 10 school working days.

The meeting will then close.

Deliberation by the Panel

The Panel will then deliberate. If an Area Schools Support Service representative is present he/she may remain, along with the Clerk to the Panel, to offer procedural advice.

The Panel will then arrive at its decision, based on the balance of probabilities. This will cover:

- Findings on the issues raised by the complainant about the way in which their complaint was addressed by the Stage 1 and 2 investigations
- Full explanation of decisions reached by them and their reasons
- (Where appropriate) Action to be taken by the school to resolve the complaint
- Any recommendations for the school's leadership and governing body to consider

The decision will be notified to all parties, in writing, within 10 school days, along with a copy of the notes of the Panel Hearing.

Appendix E: Guidance for the Chair of the Stage 3 Governors Panel Hearing

At the beginning of the meeting the Clerk should collect and escort both parties to the meeting room together. The panel must be impartial and seen to be so, at no time should the panel be left in the presence of only one party (unless a party has chosen not to attend). Any witnesses should not join the meeting at the start and only be called at the appropriate point in the meeting; and questions asked of them before they are then asked to leave.

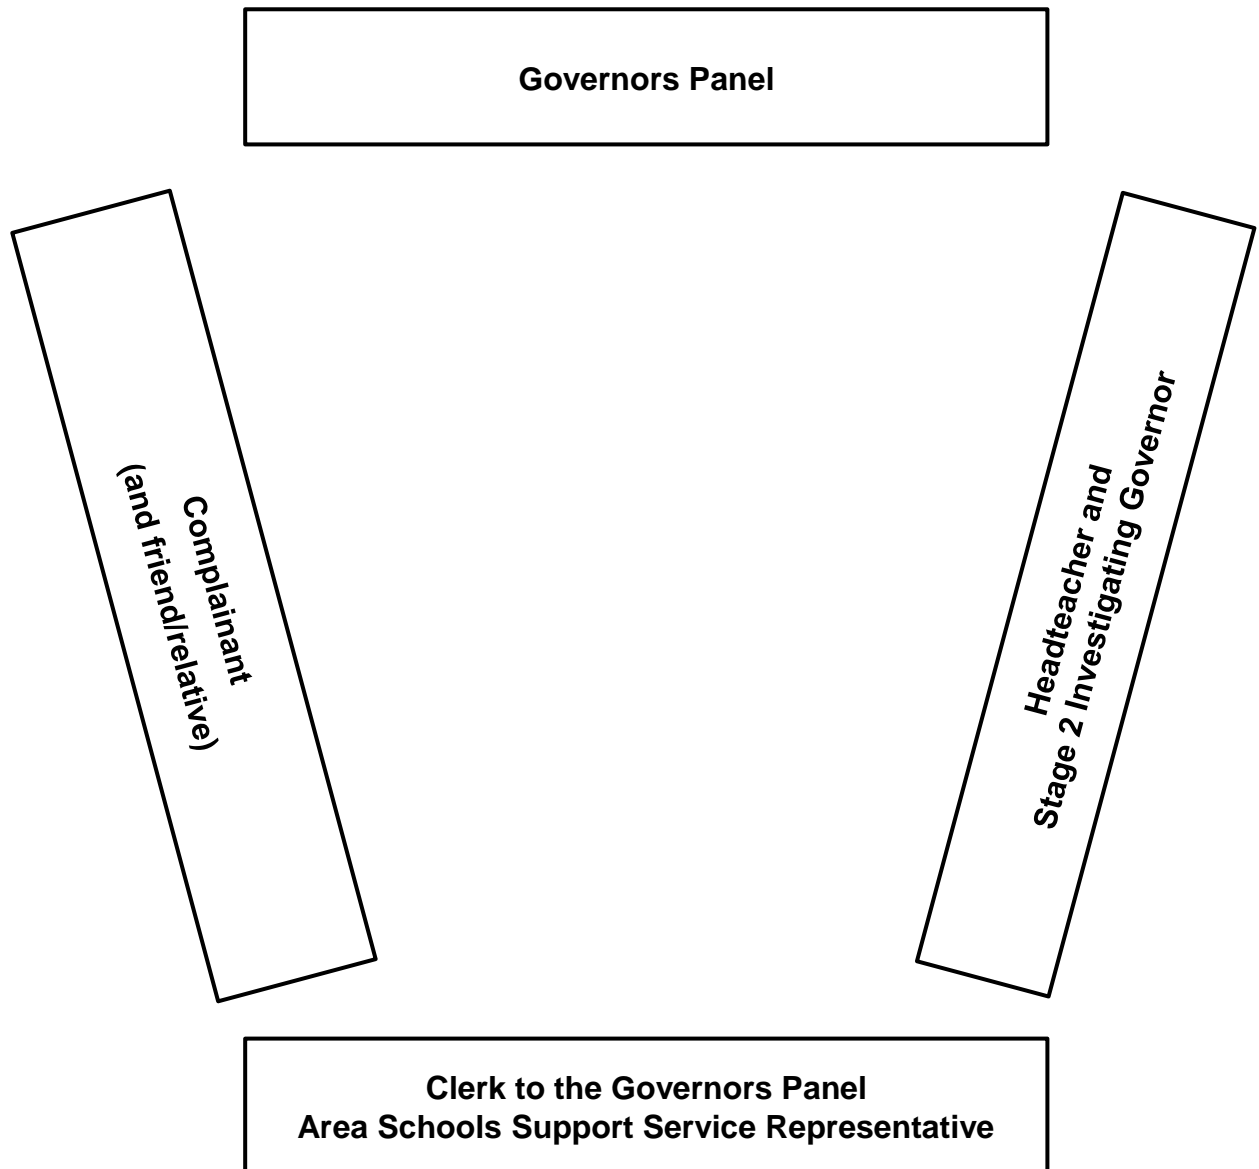

The Chair will:

- Ensure that the meeting is conducted in a respectful manner, and is not adversarial
- Ensure that complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person
- Thank all parties for attending.
- Acknowledge that this may be a difficult process, and he/she will aim to Chair the meeting as positively and informally as possible.
- Introduce those present or ask them to introduce themselves and explain their role. Agree forms of address (agreement to use first names may be helpful)
- Confirm that a brief adjournment during the meeting can be accommodated if needed.
- Confirm that the members of the Panel have had no previous involvement with the complaint.
- Confirm that the Panel will act impartially (if applicable – explain that the Panel includes an independent governor or governors).
- Confirm that consent for audio recording of the meeting is not given. The Clerk will take notes and a copy will be provided to all parties.
- Explain the purpose and procedure for the hearing (as per the agenda). Decisions will be made on facts and evidence, not opinion and based on the balance of probabilities.
- Advise all parties that different people presented with the same facts may interpret them differently. This does not mean that one is right and the other is wrong.
- Advise all parties that just because they don't like or disagree with an outcome doesn't mean that it is wrong.
- If the complainant has brought someone with him/her, this person is either there for moral support and therefore does not speak or is presenting the complainant's case and will speak instead of the complainant.

At the end of the meeting:

- Explain that a decision in writing, along with the notes of the meeting, will be sent to all parties within 10 school working days. This is the final stage of the school's complaints procedure.
- The outcome letter will include details for steps after Stage 3 if the complainant believes that the school has acted unreasonably or unlawfully in the management of their complaint.
- Thank everyone for attending, and explain that everyone will now leave, for the governors to deliberate. The Clerk (and Area Schools Officer) will remain with the governors to provide procedural advice and where necessary refer to the notes made during the hearing, for clarification.
